

Global Collaboration for Resilience and Adaptation

Fall 2024 International Conference

November 08 - 09, 2024

Crowne Plaza Fort Myers Gulf Coast, Florida
9931 Interstate Commerce Drive, Fort Myers, Florida 33913, US
www.aramidconsortium.org

Who is involved?

This global conference is for practicing and non-practicing university professors and staff, K-12 educators and leaders, graduate students, undergraduate students, and high school students.

Projected outcomes: At this conference, you will be able to:

- Share your research and classroom projects with educators from five continents.
- Collaborate and build valuable connections with other educators from different parts of the world who are interested in building community resilience.
- Learn how communities have adapted and continued to thrive during the post-covid 19 era.
- Gain a deep understanding of community resilience including its challenges and potential solutions from diverse global perspectives.
- CEUs available.
- Conference proceedings publication.
